

Serial No.: 10/551,482

Attorney Docket No.: 2488-1-011

REMARKS

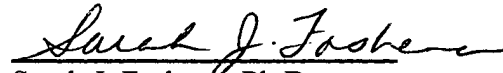

The Examiner has identified amino acid sequences in the claims, which require sequence identifiers, and for which a Sequence Listing encompassing the sequences has been prepared.

The foregoing amendment is hereby submitted in order to enter the Sequence Listing into the Application.

Applicants request favorable consideration and entry of the Amendment and Sequence Listing submitted herewith and further favorable processing of the present application.

No additional fees are believed to be necessitated by the foregoing amendment. However, should this be erroneous, authorization is hereby given to charge Deposit Account No. 11-1153 for any underpayment, or credit any overages.

Respectfully submitted,
